Final Note by the First Member of Council.

Subject:—

CONTINUANCE OF THE TEMPORARY ESTABLISHMENT OF THE CENTRAL RECORDS, BANGALORE, FOR A FURTHER PERIOD OF TWO YEARS AND EIGHT MONTHS FROM FIRST JULY 1919.

In Government Order No. J. 3540-1/Cts. 106-17-2 dated 26th February 1918 a temporary establishment of five hands, one on Rs. 30/- and four on Rs. 25/- each, was sanctioned for a period of one year to attend to the sorting of old records. In November 1918 the Chief Court represented that 27,496 records had been dealt with during the six months that ended with 31st August 1918, and that at the end of the year for which the temporary establishment had been sanctioned there would still be 2,45,000 old records left unfinished. Sanction was therefore requested for the retention of the temporary establishment for a further period of 3 years.

2. As the formalities prescribed by the financial settlement order of the 13th May 1918 had not been complied with, the continuance of the establishment was sanctioned only up to the end of June 1919, and the Chief Court was requested to forward proposals for the further continuance of the establishment through the Comptroller to Government.

3. The Chief Court has accordingly sent up the present proposal.

Paper under disposal

4. The enormous quantity of old records still remaining to be sorted requires the continuance of the temporary establishment for a further period of 2 years and eight months from 1st July 1919, and necessary provision has been made in the Budget for 1919-20 for the purpose.

LETTER NO.R.O.C.NO.439 of 1918-19, dated 28th November 1918 from the Registrar of the Chief Court of Mysore to the Chief Secretary to Government, Bangalore.

Adverting to Government Order No.J.3540-1/Cts.106-17-2 dated the 26th Febryary last sanctioning for a period of one year the entertainment of a temporary establishment consisting of five hands, one on Rs.30/- and four on Rs.25/- each, to attend to the work of sorting old records in the Bangalore Central Record Room, the District Judge and Officer in charge of the Central Record Room has reported that the number of old records in which papers have to be eliminated under the record rules are estimated to be about three lakhs besides the old correspondence of the late Judicial Assistant Commissioner's etc. Of these records 27496 have been dealt with during the last six months ending with the 31st August last during which the temporary hands worked according to District Judge's report. On this result it is estimated that by the end of the year for which additional establishment has been sanctioned about 55,000 will have been sorted and that 2,45,000 records would still be left unfinished, and that it would take four years and five months more for the establishment to completely clear the arrears. But expecting that the clerks as they gain experience would turn out more work than they have hitherto done, the District Judge has recommended that the temporary establishment may be continued for a further period of three years once for all.

I am directed to state that the Judges agree with the District Judge's proposal and fully support his recommendation.

I am to request that the Government may be pleased to accord sanction to the retention of the temporary establishment

for

for a further period of three years. The cost of maintaining it during the remaining portion of the current official year will be met from the lumpsum provision of Rs.2000/- already sanctioned and for the rest of the period due provision will be made in the budget.
